| <b>Section</b>    | <b>Clinical</b>  |
| <b>Reports to</b> | <b>Unit Manager (Direct)</b><br><b>Clinical Manager (Matrix)</b> |

---

## Role Overview

You will be responsible for treating patients at events, administer a range of treatments and work closely with other ScoutMed colleagues to provide the best possible level of care.

## Key Tasks & Responsibilities

- Treating patients within the agreed scope of practice and escalating cases where clinically indicated
- Provide assistance to colleagues, Healthcare Professionals and the wider emergency services where needed.
- Act in a professional manner at all times whilst representing ScoutMed.
- Maintain a high standard of appearance, fitness for role and wear the ScoutMed/The Scout Association Uniform with pride ensuring compliance with the standards of dress policy.
- Understand and follow all role relevant policies of ScoutMed & The Scout Association
- Responsible for ensuring all equipment is fit for purpose, clean, stocked and stored in line with ScoutMed policy.
- Maintain patient and client confidentiality at all times.
- Ensure a high standard of paperwork, including patient report forms (PRF).
- Supervise clinical care within a small group setting, providing where required clinical leadership and support
- Attend any training events as deemed appropriate by ScoutMed or The Scout Association to maintain competency and personal development for role.
- Act as a mentor to new members of the team as required.
- To perform any other duties commensurate with these responsibilities, the grade of the post and skill and qualifications of the post-holder.

## Qualification needed

- Maintain a current UK registration as Paramedic, Nurse, Doctor and be in good standing with the registration body
- Competence at least equivalent in all regards to that shown at Level G of the Pre-Hospital Emergency Medicine Framework
- Doctors need to be ST4 or above to ensure/enable the appropriate degree of autonomous practice
- Have relevant and up to date relevant pre-hospital care portfolio.

## Other Requirements

- Be, or become a member of the Scout Association.
- Complete and maintain the Mandatory Learning Elements of an adult member of The Scout Association – reference [Getting started training | Scouts](#)
- Be able to offer a minimum commitment of 5 days of event cover to the unit over a 2-year period
